

Single & double leg rest

The freestanding leg rest supporting one or both legs

The Score leg rest assortment gives you the choice to support either one leg or both. Are you suffering from a leg or foot injury, experiencing a physical limitation, or simply, you prefer to support your legs while seated at work? Score leg rests are practical and offer a flexible solution for supporting your legs. In a medical environment Score leg rests can be used to support patients legs during treatment.

The Score leg rest comes standard with a black frame. The new gas lift, with reduced back-pressure, makes height adjustment even easier. The minimum height starts at just 42.5 cm. Complete your leg rest and choose your favorite color for the leg cushion. For the finish we offer a choice of different fabrics, leatherette, Stamskin Top or PUxx.
