

Score, seats to suit!

A good and healthy sitting position is less tiring and promotes concentration and better performance. A superior workchair is an investment that pays for itself over and over again, especially when you consider that good posture helps to prevent back complaints and RSI. A high quality chair from Score need cost no more than one day's sick leave!

Score stands for:

- High quality industrial design, winner of many national and international awards
- Ergonomic design in accordance with NEN EN-1335 standards
- Complete range: the best solution for every workplace
- Custom made solutions available because of our own Research & Development department and in-house production facilities
- ISO 9001: 2014 certified

At the moment Score is working on product development according to the Cradle-to-Cradle principal, with which we also involve our suppliers to help us reaching our environmental goals. Score is also working on ISO-14001 certification.
